

# AUTOHAUS ONE

## *Autohaus One eNewsletter - March 2013*

Dear Susan

Thanks for reading our March eNewsletter.

[Peter Swatosch](#)

## Service Time?

Is it time for your logbook service or are you planning a road trip?

To make sure your vehicle is in top condition call Micheline on **9699 8699** or email [info@autohaus1.com.au](mailto:info@autohaus1.com.au) to make a booking.

## Featured Used Car

### **2002 ML320 Luxury**

This well-cared for ML320 is finished in Polar White and has a cream leather interior. It comes with full service history and no expense has been spared in the vehicle's maintenance. Plus, it has just undergone a major service in our Autohaus One workshop.

Asking price **\$14,990.00**

Call **0419 493 631** for more details. Or drop into our O'Riordan St showroom to see it on display.

#### **Selling?**

We have an ever-growing database of people looking for that certain car. If you're thinking of selling, give us a call. We may have a client looking for a car like yours.

## Autohaus One now an Official ATE BrakeCenter

Quality brakes and quality brake care are essential factors in safe motoring. ATE are world leaders in brake technology. Since 1919 the company has been designing and manufacturing braking systems, and many models of Mercedes Benz, BMW, Audi and Volkswagen are originally equipped with ATE brakes.

Now we're pleased to announce that Autohaus One has qualified as an official ATE BrakeCenter, one of the first outside Germany. To qualify our staff underwent expert training with ATE trainers from Germany, and we upgraded our brake servicing equipment.

Below is a photo of our new state-of-the-art brake fluid flushing machine which, when handled by our trained staff, ensures 100% brake fluid changes every time.

## Prestige Used Cars

At Autohaus One we offer excellent deals on prestige used cars. And, all our pre-loved vehicles receive a thorough inspection and service from our trusted technicians.
